

Red Door Events Inflatable Coaching Nets

Product Introduction

Red Door Events is proud to offer one of the best coaching set-ups in the world. Using up-to-date designs, our coaching equipment is the perfect environment for clients or guests to enjoy top class golf tuition. Our golf nets offer lightweight and durable solutions that cater for your event. The new and innovative design allows for set-up within minutes and with Red Door Events attention to detail, you will sure to be impressed with the eye-catching activity at your event.

Product Options

Our nets can be offered in a number of colours to suit your event. Our nets also provide a fantastic opportunity for corporate or event branding. Branding can be on 3 high profile banners, situated in a prominent position upon the structure.

Red Door Events can also offer any extras to make your guests experience more memorable. PGA Golf professionals can be arranged to enable your guests to have one on one interactive golf lessons, which can be made even more constructive by using the latest in golf analysis technology. Each guest can have the opportunity to have their swing analysed using either High Definition Video Cameras, state-of-the-art Launch Monitors or the very latest in tuition technology – The K Vest.
