

Mini Links Putting Holes

Red Door Events are able to provide light and portable putting holes that can be assembled in minutes in almost any area. Red Door Events can quickly set up from 1 hole, 3 holes, 9 holes, or all 18 Mini Links holes to produce your own miniature golf course on any firm, reasonably level surface, indoors or outdoors.

Perfect for parties, corporate and sporting events, exhibitions or shows, our Mini Links can be set up quickly and easily.

Providing great entertainment for players and spectators alike, Mini Links can also be used to allow guests and clients to be active at your event.

Product Specifications (Based on 3 hole setup) –

Specification	Requirements
